

## DEEPAWALI \*\*\*CELEBRATIONS

Deepawali, the festival of lights, was celebrated with great religious fervor and enthusiasm by the student and staff members of St. Montfort School. The morning assembly turned colourful and musical with an apt depiction of Lord Ram coming back from his fourteen yearlong exile. The students portraying the various characters looked appropriate. The festival symbolizes the spiritual victory of-light over darkness, good over evil and knowledge over ignorance. Vice Principal Rev. Bro. John Minjimplored the students to imbibe, in their lives,the virtues that the festival stands for.The students vowed to keep the celebrations pollution free.
