

ST. MONTFORT SCHOOL, PATEL NAGAR, BHOPAL

SMS/CIR/2026-2027/07

Date: 30.06.2026

Dear Parents and Students,

This is to inform you that it has been observed that some students are bringing vehicles to school and parking them within the campus without possessing a valid driving licence.

Please note that with effect from **01st July 2026**, no student will be permitted to park any vehicle inside the school campus without a valid driving licence/learner's licence.

Students riding two-wheelers are **required to wear a standard safety helmet at all times while commuting to and from school**. Entry into the school campus without wearing a helmet will not be permitted, as it is mandatory for the safety of all students.

If any student is found parking a vehicle without a valid driving licence/learner's licence, the vehicle will be confiscated. The parents will then be required to visit the school in person to collect the vehicle.

Students who possess a valid driving licence/learner's licence, must submit a photocopy of the same and get it duly verified with the seal and signature of the Principal in order to avail parking permission within the school campus.

We request all parents and students to strictly adhere to this policy in the interest of safety, discipline, and compliance with traffic regulations within the school premises.

Thank you for your understanding and cooperation.

Bro. Monachan K.K.
Principal
