SMS/CIR/2026-2027/08

Date: 10.07.2026

Dear Parents and Students,

1. This is to inform all concerned that the PT-1 Examination will commence from 13.07.2026. The reporting time shall remain as usual. The dispersal time for students of Classes III to XII will be 10:55 AM. Students of Nursery to Class II will continue with their regular classes after the examination.
2. From the current academic session onwards, the school will conduct only PT-1 and PT-2, carrying 50 marks each, along with Term I and Term II examinations. There will be no PT-3 or PT-4 examinations.
3. In accordance with the recommendations of the National Education Policy (NEP) 2020, the school is adopting a concept-based teaching and learning approach. Students are therefore expected to develop a thorough conceptual understanding of each lesson rather than relying solely on memorising written answers.

Thank you for your understanding and cooperation.
