SMS/CIR/2026-2027/09

Date: 14.07.2026

Dear Students and Parents of **Class XII (Batch 2025-26)**,

This is to inform all students who had applied for **Verification of Marks/Re-evaluation** of the **CBSE Board Examination 2026** that the revised results have been updated by CBSE on DigiLocker wherever there has been a change in marks.

CBSE has also informed that the **updated original marksheets** are available at the **CBSE Regional Office, Bhopal**. However, the revised marksheet can be issued only after the **original (old) marksheet** is surrendered.

Students whose marks have been changed after verification/re-evaluation are requested to **submit their original CBSE marksheet to the School Office on or before 18th July 2026 (Saturday)**.

The school will collect all the original marksheets and submit them to the CBSE Regional Office, Bhopal, for obtaining the updated marksheets.

The **date for distribution of the revised marksheets** will be communicated separately after they are received from CBSE.

Students and parents are requested to adhere to the above deadline to ensure timely processing of the revised marksheets.
