E-WASTE COLLECTION DRIVE

Under Eco Clubs for Mission LiFE | In Compliance with CBSE Directives

Dear Parents and Students,

In accordance with the **directives issued by the Central Board of Secondary Education (CBSE)** under the **Eco Clubs for Mission LiFE initiative**, the school is facilitating an **E-Waste Collection Drive** for students of **Classes I to XII**.

Students are encouraged to check their homes and, **with the consent of their parents**, bring old, unused or damaged electronic items that are no longer required. The collected e-waste will be channelled through the appropriate process for **responsible disposal and recycling**.

Items that may be contributed:

- Old/unused mobile phones, chargers and adapters
- Earphones, headphones, wires and cables
- Computer mouse, keyboards and other accessories
- Old laptops, printers and small electronic devices
- CDs/DVDs and other unwanted electronic items

Collection Period:

1 October to 25 October 2026

Students may submit the e-waste to their **Class Teacher**. **Parents** may also contribute by depositing e-waste at the **designated collection box near the school reception**.

Your participation will help promote responsible e-waste management and contribute towards a **cleaner, greener and more sustainable environment**, in keeping with the objectives of **Mission LiFE**.

Check. Collect. Contribute. Recycle.

Let us do our part for a greener and more sustainable future.

Bro. Monachan K.K.

Principal
