

ST. MONTFORT SCHOOL, BHOPAL
REPORT ON PODCAST COMPETITION

Competition Name: **Podcast (Story telling)**

Participants: **Students from class I & II. (All sections)**

Competition Date: **15th December 2021**

St. Montfort School Bhopal organized a PODCAST competition for class I & II children in which they were asked to narrate a small story of their own related to Christmas time in English. This was done to motivate the children on their vocal skills and also to train them for future as there are many instances in the practical world where they need to commune with audience directly or indirectly. The secondary aspect of this also was to check their confidence in doing so, so that the weaker could be given more training in this field.

The students accompanied by their parents as mentor took part in it with great enthusiasm and came up with variety of interesting new and old stories in their own ways & style. The confidence in these children was exemplary in nature during the portrayal of which they proved that they are studying in a very good and energetic school environment.

The presentation of stories by these children was very good and decent in nature though the teachers could identify some weak areas also which would be mended in the due course of time. But altogether the children could produce a fun filled show with appropriate clarity in their speech and also the narration was up to mark.

The winners of this competition from all the sections of class I & II were awarded with e-certificates. With a view to enhance their talents the class teachers motivated and encouraged them to partake in such upcoming competitions.
