Handwriting Competition Classes(III-V)

“Handwriting says a million things about a person”

St.Montfort Senior Secondary school organized a handwriting competition for the students of classes III to V on 19 April 2022 during the activity period. The competition was organized by the Art and Craft club to motivate the children to practice and enhance the skill.

All the students of each class and section were given a paragraph to be written in cursive handwriting. According to research it is believed that cursive writing is vital for cognitive development. It strengthens the process of learning, encourages motor skills development, so the children were encouraged to participate in the competition.

They were judged on the basis of neatness, overwriting, space between letters, words, lines, alphabets, size and clarity and creativity in writing.

The students participated enthusiastically.
