

# Activity Report of Science Quiz (January 2023)

## FOR CLASSES VI,VII and VIII

**“The art and Science of asking questions is the source of all knowledge” -Thomas Berger**

Date: 21 January 2023

Venue- Senior School auditorium

Organizer: Science Club, St. Montfort School, Bhopal

In order to improve the spirit of scientific enquiry and to polish the subject knowledge of students, the Science Club of our school organized a Science Quiz on 21<sup>st</sup> January 2023.

The quiz was conducted in the Senior auditorium under the supervision of teachers and coordinators.

Students from classes VI, VII and VIII participated in the event. They were divided into six groups on the basis of their class and section. Every team had two students. As a trivia based on science, the event contained questions based on Physics, Chemistry and Biology. The judging panel consisted of two scorers, Mrs. Swati Vijayvargiya and Mrs. Vidhya Vyas .

**The quiz consisted of four rounds:-**

- 1) Who am I?**
- 2) Visual round**
- 3) Block round**
- 4) Missing word**

The students actively participated in the event as the teachers kept them involved with apt visuals, mind boggling questions and by disseminating interesting facts about each topic.

The event proved to be very educational and informative for the students. It was a much appreciated endeavour by the school. Such events go a long way in moulding the student's personality and testing their knowledge.

The winners of the competition are as follows:

Class VI	Name of the Participants	Class
First	Yashraj Sahu,Lavya Singh	6E

Second	Ananya Gour,Suryavardhan Pratap Singh	6B
Third	Akshay Sharma, Akshay Kumar	6F

Class VII	Name of the Participants	Class
First	Hardik Gupta,Sohm Shrikant Shrikhande	7C
