“Music is beneficial for children as it not only develops their aesthetic sense, but is also the key to creativity”.

Patriotic Song Competition was organized on 12 August 2023, Saturday for class I & II to expose our students to music, while also enhancing their language and presentation skills. This was an opportunity to teach them the importance of Independence Day. The Primary students were brimming with enthusiasm and eagerness to showcase their talent. They portrayed calm and composure with the most melodious and soothing voice. Mr. Basant Gupta and Ms. Swati Vishwakarma were the esteemed judges for the competition. They praised the efforts of the school in keeping the spirit of solidarity and love for the country alive through such activities. Around 40 students participated in this event. We had received tremendous and huge response. All the songs chosen by the students were superb and really instilling the spirit of patriotism in us. The students prepared well for the competition and a wide range of songs were presented. The young and gifted singers had won the hearts of the judges, who was overwhelmed by their singing skills and preparation. The success of the competition could be well judged by the smile on the faces of the students and the teachers.
