## **REPORT ON PICNIC DAY**

**"When life gives you sunny days, grab your friends and have a picnic".**

St. Montfort kindergarten has organised a wonderful outing for our little tiny tots from class (Nursery to KG 2) on 29-12-23, where our students was very happy to explore more fun filled activities and some very adventurous slides and games on that day.

All the students were happy to do the nature walk with the brightening sun as it welcomed all of us with its open arms. The teachers also was very glad to make them learn about some interesting facts about a beautiful nature. This how the day was ended with happiness and we all thank God to bless us with such a beautiful world as well as with beautiful nature.
