SCIENCE

“Make a poster for accident”

Situation:

- 1. In a playground*
- 2. In kitchen*
- 3. On a road*

From any two situations given above, design a poster showcasing the accident. Also write a paragraph about your poster including first aid required, also explain why each first aid step is necessary?

SOCIAL STUDIES

1. Make a 2D model of globe and show important lines of latitudes, longitudes, and heat zones using different colour papers.

2. Write three ways in which you can conserve water.

COMPUTER SCIENCE

Make a collage on the topic “Cyber Security and Awareness” by pasting relevant pictures (such as strong passwords, safe internet use, antivirus, not sharing personal information, etc.).

- Add 2–3 safety rules in your own words.*
- Write the title on your collage.*
- Keep your work neat and colourful*

NOTE:-

- Above projects should be done in A4 size sheets.*
- All the sheets should be kept in one file and there should be front page with name, class and section.*
- Submit it to the class teacher.*
