

#### SCOUT AND GUIDE OVERNIGHT CAMP FOR CLASS – IV

The Scout and Guide department of St. Montfort School organised an Overnight and Pratham Sopan Camp for the students of class IV on 1<sup>st</sup> and 2<sup>nd</sup> Oct 2019 in the school premises. Boarding and lodging facilities were provided along with nutritious food which the students enjoyed to the fullest. The students were familiarized with the various aspects of the syllabus pertaining to the first year of Scout and Guide. Many activities were organised along with a Camp Fire at night in which each class presented theme based programs.

The best part was the students got a chance to stay away from their parents and they could spend their time with their friends. Parents came to pick up their wards and the students went back with sweet memories of the camp.
